# Heathfield Onliners

## Good Harbor by Anita Diamant.

When Kathleen Levine is diagnosed with breast cancer, her life is thrown into turmoil. Frightened and burdened by secrets, she meets Joyce Tabachnik, a freelance writer. Joyce is also at a fragile place in her life.

## The Little Stranger by Sarah Waters

In a dusty post-war summer in rural Warwickshire, a doctor is called to a patient at Hundreds Hall. Home to the Ayres family for over two centuries, the Georgian house, once grand and handsome, is now in decline. But are the Ayres haunted by something more sinister than a dying way of life?
