Heathfield Onliners

Whistling for the elephants By Sandi Toksvic

Set in small-town USA during the 1960s, this funny and poignant novel charts the development of ten-year old Dorothy who discovers that she has more to aspire to than the future roles of wife and mother.

Life after Llife By Kate Atkinson

What if you had the chance to live your life again and again, until you finally got it right? Would you eventually be able to save the world from its own inevitable destiny? And would you even want to?
