Active Play is a mobile play project primarily aimed at children aged 5-16 years. Active Play was Big Lottery Funded for 3 years, we have just received our report and were stamped as 'outstanding' for meeting and exceeding all of our outcomes, targets and aims.

Freedom Leisure are now solely responsible for Active Play. This means that our sessions, resources and equipment are still available. We have now expanded the project to a significantly wider area, and are able to offer the same great sessions to many more communities in East Sussex!!

The following equipment remains free of charge to children and young people; play equipment, mobile skate park, mobile dance mats, Nintendo wii with screen, face painting, arts and crafts, games and activities.

Freedom Leisure do not make any profit from Active Play, however to enable the project to continue to provide this valuable service there will be a minimal charge. For example a 2 hour play and/or skate park session, in Uckfield would cost under £50. We can come to you for blocks of sessions, 'one off' sessions, events, fetes, openings, term time or holidays, just call or email Natasha Burch for a quote and to check availability.

**FREE Play sessions could include; Mobile dance mats, Nintendo Wii, Games, Arts and Crafts, Giant Jenga, Giant Connect 4, Giant Snakes and ladder, Play, Sports and much more!**

**FREE Skate Park sessions include; Safety Equipment; Helmets, elbow pads and knee pads. We also bring BMXs and Skateboards for those who do not have their own. (Skate Park sessions are weather permitting ONLY)**
