

THE HEATHFIELD PARTNERSHIP

The Heathfield Partnership is very pleased to have played a part in producing this guide. Our objectives are to be the catalyst of the regeneration of Heathfield and to raise the Town's prospects and prosperity. There are four information boards located throughout the town. In addition, our website, www.heathfield.net, has a section promoting all the businesses and services located within the Heathfield and Waldron Parish. Listings are free. A great deal of investment has gone into that site to create location maps and improve the search engines to ensure ease of access and increased promotion.

ABOUT HEATHFIELD

Heathfield is a small Market Town lying in the heart of Wealden District and can trace its ancestry back over 700 years. It occupies a prominent and elevated position on one of the main ridges crossing East Sussex, which permits extensive views of the surrounding countryside. Outside the development boundaries views are protected by designation as an Area of Outstanding Natural Beauty. The Parish has a population of approximately 11,500 people and is an important local shopping, employment and service centre, serving a wide rural catchment area. A key major asset to the Town is the availability of multiple free car parking sites with over 550 parking spaces available, as follows:

Co-Op	249
The Original Factory Outlet	30
Station Road	West 48, East 109
Newnham Way	14
Mill Road	111
Sainsbury's	54

THE HEATHFIELD CHAMBER OF COMMERCE

The Chamber of Trade and Commerce has over 60 members and provides a forum for local businesses to get together and unite in providing the town with a variety of retail outlets as well as professional services. The Chamber promotes the retail shops and businesses as well as organising meetings to discuss the future needs and development of the town, whilst maintaining the viability of all its members. It undertakes various special events for the town including a Christmas family

The Chamber would welcome any new members as well as any comments and suggestions you may have and the contact details are shown below.
